

Parish Mission Statement

**Sacred Heart Church manifests
God's merciful love...**

By recognizing the needs of all as we experience newness and growth while treasuring our past.

By utilizing our gifts and strengths in carrying out the mission of the Sacred Heart of Jesus.

By participating in the mission of the Church both local and universal.

By living out our Eucharistic Celebrations in our daily lives through the study of Sacred Scripture, honoring our Tradition and participating in the Sacraments.
